I am 21 years old. I have a bachelor's degree. I have no working experience in any company. I am applying for fresher. In which I can do internship, full-time part-time job. My skills include project manage, data entry, Excel account mange, videos photo editing, social media post and description analysis. I want to do something in my career that will give good results to my family and my society. Well done to all by mere Encourage ment.
